TRUSTEES' MEETING

ASK ELECTION FOR ANNEXATION OF TERRITORY NORTHWEST OF CITY

The Board of Trustees met in regular session at the City Hall at 7:30 p.m. All members present at roll call.

The minutes of the last regular meeting and also the adjourned meeting of May 23rd were read and approved.

The Clerk reported that there had been filed with him a petition signed by Eugene H. Learned and others asking that the Trustees call an election for the annexation of certain territory northwest of the City of Glendale; that the same had been referred to him at an adjourned meeting on this date to check up the names on the same with the great register of the County; that he has done so, and attached to the same his certificate showing the sufficiency of the petition. Messrs. M. L. Learned, N. C. Kelley, J. A. Cole and R. A. Salisbury appeared before the Board and being sworn by the Chairman, each of them testified that he had assisted in circulating the said petition, saw the voters sign their names to the same, knew them to be residents of the district and to be fully apprized of the purpose of the petition.

The Clerk also reported that there had been filed with him and presented to the Board at its adjourned session, a petition signed by W. Woods and others, requesting that the trustees call an election for the annexation of territory to be designated as the Kenilworth District; that the same had been referred to him for the purpose of checking the names thereon with the Great Register of the County; that he had done so and certified to the sufficiency of the petition. Warren Story and E. W. Kimball appeared before the Board, and being sworn by the Chairman, testified that they had circulated the petition; that all the signers thereto are residents of the district described in the same; that they knew them to be residents of such district and to be fully aware of the purpose, of the petition.

At 8:10 p.m. protests were called for in the case of Municipal Improvement District No. 2. There were no protestants present, and the Clerk reported that no protests had been filed.

The Clerk reported that there had been filed with him a number of individual protests against the assessment for the opening and widening of Sycamore Canyon Road, and one protest to which there are attached the names of over two hundred protestants. The protests were read by the Clerk, and on motion of Trustee Henry it was ordered that the further hearing of protests against the assessment for the opening and widening of Sycamore Canyon Road be adjourned to July 18, 1918, at eight o'clock p.m.

A communication was read from Superintendent R. D. White of the Glendale City Schools, stating that in reference to the proposed change in the name of Third street, on which the Intermediate School is located, the children of the school had been notified some two months ago of a proposed change in the name, and requested to talk the matter over with their parents and offer suggestions as to a new name for the street. A number of suggestions were offered, and the whole school given an opportunity to vote on them. Out of a total of less than three hundred votes, the name of Wilson avenue received about 175 votes. Mr. White stated that this fact was reported to the trustees in the way of a suggestion. The communication was ordered to be filed.

The Clerk read a communication from the Department of State at Sacramento acknowledging the filing on May 22nd of certified copies of the record of proceedings for annexation of Arden Avenue and the Valley View Districts to the City of Glendale. The communication was ordered to be filed.

A communication was read from C. D. Ackerman in reference to the deed of a portion of Lot 2 of Glendale Mountain View Tract, conveyed by him to the County of Los Angeles, this transfer being made in connection with the land required by the County in the construction of the new bridge on Brand boulevard across the wash. On motion, it was ordered, that the deed be accepted subject to the approval of the City Attorney, and if the property found to be clear of all incumbrances and otherwise satisfactory, the deed to be turned over to the County of Los Angeles.

A communication was read from the City Clerk of the City of Los

TERRITORY EXTENSION

CITIZENS IN UNINCORPORATED DISTRICTS PETITION FOR ANNEXATION TO GLENDALE

A special early morning meeting was held by the Glendale Board of Trustees at the City Hall Thursday morning at 8:30 o'clock for the purpose of receiving a petition asking that an election be called for the annexation to the City of Glendale of the Kenilworth District, which includes the territory west of the city and south of the Burbank branch of the P. E. Railway, to and including the Southern Pacific tracks, north of the recently annexed Valley View District. This comprises about a square mile.

A petition was also presented signed by seventy or more petitioners asking that an election be called for the annexation to the City of Glendale of what might be called the Casa Verdugo District and North Glendale, including all of the unincorporated territory between the hills on the north and the Burbank P. E. branch to Grand View avenue, also including the Grand View District to a line between Thompson and Laurel streets extending from the Southern Pacific tracks northeast to the hills, which line would be the extreme west boundary line of the district.

This comprises possibly two to two and one-half square miles and the population of the two districts is possibly fifteen hundred.

The petitions were received by the Board of Trustees and referred to the City Clerk with instructions to report at the regular meeting Thursday evening as to the sufficiency of the signatures, as the law requires that such petitions can not be acted upon unless they bear the signatures of at least twenty per cent of the legal voters of the district.

Angeles, dated May 13, 1918, as follows:

"At a meeting of the City Council held this day, the enclosed resolution providing for the extension of time for the payment by the City of Glendale, of its portion of the cost of the Ivanhoe Bridge Construction, to September 1, 1918, was adopted.

(Signed) CHAS. L. WILDE,
City Clerk."

On motion, Resolution Number 1010, "A Resolution of the Board of Trustees of the City of Glendale providing for the payment of a portion of the cost of the construction of the Ivanhoe Bridge, and rescinding Resolution No. 994," was taken up for reading.

On motion of Trustee Henry the same, upon being read, was adopted.

The Tax Collector presented his weekly report, also his annual report of the delinquent tax list and lot-cleaning report, all of which were referred to the Finance Committee.

The City Attorney presented a letter from John C. Thompson, Attorney, New York City, which was read, in which the writer stated that he had examined into the validity of the issue of \$55,500.00 bonds of Municipal Improvement District Number 1 of the City of Glendale, and in his opinion, the issue of said bonds has been properly made, and when signed and sold will constitute valid and legally binding obligations upon the said district. On motion, it was ordered that the original letter be turned over to the purchaser of the bonds, and a copy of the same be kept on file.

On motion, Resolution No. 1011, "A Resolution of the Board of Trustees of the City of Glendale calling a special election to be held on the 4th day of June, 1918, in that certain territory contained within the boundaries of proposed Municipal Improvement District No. 2 of said City, providing for submitting to the qualified electors of said district the proposition of incurring a debt by issuance of bonds of such district for the purpose of acquiring and constructing works for the distribution and supplying of electricity to the inhabitants of such district for lighting, heating, power and all other useful purposes, including the acquisition of lands, easements, rights of way, structures, poles, pipes, pipe lines, conduits, wires, fixtures, transformers, meters, services, apparatus, and all other property, and the construction of mains and lines and other works necessary for such purposes; providing for the issuance and sale of such bonds for such purposes and for the levying of a tax for payment of such bonds; and establishing election precincts and polling places in said territory and appointing the officers of election for said special election," was taken up for reading.

On motion of Trustee Muhleman the same, upon being read, was adopted.

SUBMARINES NO LONGER A PERIL

GERMANS USE EVERY EFFORT TO REACH GOAL BEFORE U. S. HELP AVAILABLE SAYS LLOYD-GEORGE

(Special Service to Glendale Evening News)

EDINBURGH, May 24.—"The allies are sinking submarines faster than Germany can build them and the allies are building ships faster than the submarines can sink them," declared Lloyd-George in a speech here today. "The next few weeks will be a race between Hindenburg and Wilson. The Germans are straining every muscle to reach their goal before American help is available. The Russian collapse and the submarine are special adversities that the government is compelled to cope with. The submarine is still a menace but is no longer a peril and cannot cause the winning or the losing of the war. Allied sailors are pursuing them night and day and have at last conquered the pests. The Germans realize this and are turning to the west front offensive as a final resort."

ORDER HITS I. W. W.

POWER CONFERRED UPON LOCAL BOARDS ENABLES THEM TO COMPEL MEN TO WORK

(Special Service to Glendale Evening News)

WASHINGTON, May 24.—Army officials declare that the whole force of Gen. Crowder's "work or fight" order will be used against the I. W. W., as the power conferred upon the local boards will make impossible the repetition of last year's harvest delay when the men refused to work.

SHERIFF CLINE HUNTING MURDERER

OFFICER WITH TWENTY DEPUTIES SEARCHING SAN JOSE CREEK BED FOR URALDO CORONA

(Special Service to Glendale Evening News)

LOS ANGELES, May 24.—Probing the thick underbrush of the San Jose creek bed three miles from Puente, Sheriff Cline and twenty deputies are today searching for Uraldo Corona, alleged murderer of Felicia Garcia. Corona is known to have two guns in his possession and is said to have challenged the sheriff to come and get him. The Garcia woman was shot at a dance in Puente while Corona was in a fit of jealous rage.

GERMAN SOLDIERS MUTINY

TEUTONS ON EAST FRONT ORGANIZE TO PROTEST AGAINST THE CONTINUANCE OF THE WAR

(Special Service to Glendale Evening News)

WASHINGTON, May 24.—A state department message says that mutiny has broken out among the German soldiers on the east front. One German division at Dvinsk is said to have revolted when ordered to the West Front. Sixty men are reported shot and more than a thousand were jailed awaiting court-martial. The 56th Infantry at Weisenburg and other regiments are said to have organized meetings to protest against the continuance of the war.

AMERICAN AIRMEN IN FLANDERS

LONDON, May 24.—General Haig reported hostile artillery bombardment on various British sectors west of Lens and northeast of Festubert and the Nieppe forest. A British raid southwest of LaBassee and a patrol encounter north of the Ypres-Comines canal netted a number of prisoners. There are a few missing as the result of an enemy raid north of Hill 70. The German official statement says that three American airmen were downed Wednesday near Lys, indicating that there is a considerable force of American aviators in Flanders.

APPRECIATION

Mrs. Hunchberger, who has been chairman, under her husband, of the Red Cross lunches which have been served this week at the Masonic Temple to Red Cross workers, and the members of her committee, Mrs. J. Robert White, Mrs. R. W. Meeker and Mrs. E. U. Emery, wish to thank on their own behalf and on behalf of the Red Cross and the general public, all who have so generously helped to make these functions the great success they have been. It will be remembered that on Monday Mrs. Hunchberger and a group of ladies under her, including Mesdames Dan Campbell, David Gregg, Ed Hitchcock, William Justin, Alexander Mitchell, Frank Campbell, A. G. Walker, A. A. Barton, Charles Braden, R. A. Siple, C. E. Russell and Misses Ruth Byram and Dorothy Dow served the dinner. Tuesday, ladies of the Congregational Aid Society under Mrs. Blake Franklin were hostesses. Wednesday Mr. Kimlin of the Glendale Sanitarium was chairman, assisted by the ladies of the Adventist Church, Thursday the ladies of the Lutheran Church Woman's Society under the chairmanship of Mrs. George Daugherty prepared and served the dinner. The hostesses today, Friday, are the members of the Ladies' Aid Society of the First Methodist Church of Glendale.

RED CROSS DINNER

DR. HOGUE EMPHASIZES VALUE OF ENTHUSIASM AT FRIDAY MEETING

At the dinner served to Red Cross workers today at the Masonic Temple, ladies of the First Methodist Church of Glendale were the hostesses.

The speaker of the day was Dr. R. V. Hogue, whose talk was brief and dealt with essentials. He said in the beginning it was not his intention to make a speech in the general acceptance of that term, but to talk straight from the shoulder in an endeavor to magnify the enthusiasm already inspired by previous speakers; that he would make no flights of oratory but simply endeavor to "enthuse," because the keynote of success in this Red Cross or any other campaign is enthusiasm in work. The fact that most of the men and women assembled were volunteers would, in his opinion, make superfluous any long discussion to interest them in Red Cross work because they were already interested and had been throughout, or they would not have been there. "The fellows we want to reach," said he, "are not here. We must reach them by hard work and a great deal of enthusiasm and never let up—keep continually pounding at them and never take no for an answer, and never take a trifling response. I want to rub in what has been said before, the necessity for enthusiasm and hard work. We need less talk and more work."

The doctor then told of some of the things he had observed, and quoted anecdotes he had heard given by Dr. Brougher, Mr. Bledsoe, Perry Widener, and other active campaigners. He reminded his hearers of how great a thing this work is in the minds of big men, who are sacrificing time from their business and professions and considering no detail too small to deserve their attention, though it may be a matter that in peace times would be considered trivial.

TWO RUNAWAYS

The Glendale police are on the lookout for two runaway boys who have undertaken to see the world on their own responsibility. The leader, as reported by Chief Herald, is Willard Lyman of 222 Rosemont street, Los Angeles, who is twelve years old. As the story goes, Willard made his essential and treasured belongings into a bundle which he strapped upon his bicycle and rode to Glendale, where he found a companion adventurer in the person of Doran Vose, 413 Belmont street, who is nine years old. In the course of the search by the police, Theodore Kober, another boy, was found, who said he had been invited to join them and was acquainted with their plan, which was to go to Venice and sell the bicycle, and with the proceeds take a train for the east. Doran left a note for his mother in which he said: "Good-bye, Mamma. I have gone to give you a rest. Will write later." Mr. Herald is confident the boys will soon be found.

NOVEL MISSIONARY MEETING

The Woman's Missionary Society of the Tropico Presbyterian Church met Thursday, May 23d, for an all-day meeting. Luncheon was served at noon to about thirty-five guests and an after-dinner business session was held at the tables, followed by a social intermission.

Mrs. Cleggland, president of the Presbyterian Missionary Association, conducted devotional exercises when the meeting was again called to order and made an effective talk from the text that we do not want slackers in missionary work.

The program, which was in charge of Mrs. O. P. Rider, was out of the usual order. The general theme, "Women in Many Lands," was illustrated by members of the society in costume. Miss Ida Myers represented China, Mrs. Bruun, India, Mrs. Lang a schoolgirl of Korea, Mrs. Angier, Spain, Mrs. Rider, Africa. Each lady described the lives of young women in the country she was representing, and told what Christianity had done for them. Following this review of home life in foreign countries, Mrs. Merritt Ludden gave an excellent talk on the lives of women in Christian homes in the United States. The program closed with the singing of "Home, Sweet Home" by Miss Dorothy Hobbs.

The guest list included Mrs. Dan Campbell, Mrs. David Locke, Mrs. Scott, a number of ladies from Los Angeles and several children.

Mrs. Carrie Heasley of 1437 Vine street has gone east for the summer to visit relatives.

GATEWAY MEETING

PEOPLE OF SOUTHERN DISTRICT MAKE RECOMMENDATIONS TO BOARD

An excellent meeting at which a number of important matters were discussed was held by the Glendale Gateway Association at the city building on Brand and Los Felis boulevards Thursday evening. The first of these was the change in the name of the city building, which was discussed and an agreement reached to recommend to the City Trustees that the words "City of Glendale" in the form of an arch be placed above the words "South Gateway Hall" on the front of the building, and also that it be electric lighted; likewise that the words "Glendale Library, South Branch" be placed over the entrance on Brand boulevard.

In the matter of the coming election to vote bonds for the purchase of the electric lighting system, a committee was appointed to collect facts and present them to the voting public in that district. Messrs. Wattles and Peterson were named on that committee.

The proposition of an election to select fifteen freeholders to draw up a city charter was generally discussed and favorably considered with the general understanding that association officials should confer with the City Trustees relative to the matter.

Another committee was appointed to meet with Southern Pacific officials Monday evening at the City Hall on Broadway to take up the matter of changing the name of the railroad station from Tropico to Glendale.

The numbering and naming of streets also came up for discussion and it was the consensus of opinion that an effort should be made to persuade the officials of Los Angeles to continue the name "Brand" on the boulevard from the west limits of the City of Glendale to the point where the boulevard joins Lake Shore avenue, and that the City Trustees be asked to take up the matter.

There was some talk relative to a separate post office and the betterment of mail service, but no action was taken.

THE KAISER AND MOHAMMED

The above is the very interesting subject that Prof. Shedd of Occidental College will speak on this coming Sunday morning in the English Lutheran church, corner Fifth and Maryland, at 11 o'clock. Citizens of Glendale can look for something worth hearing. Prof. Shedd, born in Persia and remaining there until he was in his 17th year, has facts at first hand. He comes of those celebrated Shedd so much interested in missionary enterprises in those faraway lands where persecution, murder, brutality and inhumanity are so much practiced in these troublesome days. Come Sunday morning at 11 o'clock and hear the reason for the awful Armenian persecution and assassinations, and learn how that back of it all was the Kaiser. Prof. Shedd is a platform lecturer. You will not be disappointed.

TRIBUTES TO MARK JOHNSON

One of the largest funerals which has ever taken place at Forest Lawn Memorial Park marked the burial of Mark Johnson, whose tragic death at El Monte last Tuesday in a railroad accident, cast a gloom over the community. It took place Friday morning at the Little Church of the Flowers, which was inadequate to hold all who came to pay their last tribute of respect to the young business man who had been cut off in such an untimely way. Services were conducted by the officials of the Elks' Lodge, of which deceased was a member, the members attending in a body. Rev. Cory, pastor of the Tropico Methodist Church, also participated in the service. There were an immense number of very beautiful floral tributes.

GRAND FINAL DRIVE

For the balance of the week the Red Cross workers will solicit generally. The first days of the drive their efforts were confined to the people represented by the cards assigned them. Now comes the grand final clean-up. The effort is to get everyone who has not already contributed. Any one having a regular Red Cross receipt book has a right to solicit you now. Their effort is to entirely cover the town and see that everyone is called upon. Help them to complete this work and establish another record for Glendale.

"I'm afraid that's all I can spare"

You're a regular red-blooded, true American. You love your country. You love that flapping, snapping old flag. Your heart thumps hard when the troops tramp by. You're *loyal*—100 per cent.

You intend to—you want to—help win the war in a hurry.

"Sacrifice? Sure," you've been thinking. Just you wait till they really need it." And you've honestly thought you *meant* that too.

But—look yourself in the eye, now, and search up and down inside of your heart—did you mean it? Did you really mean "sacrifice"?

Listen: You feel poor. This third Liberty Loan, the high prices, the Income Tax—you've done your bit. You feel that you've given all you can spare.

What? Then what did you mean? What's that you said about loving your country? What did you think the word "sacrifice" means?

Surely you didn't mean, did you, to give only what you can spare?

What about our boys who are giving their lives in the trenches? Are they giving only what they can "spare"?

How about those mothers and little "kiddies" in the shell-wrecked towns of that war-swept hell—hungry—ragged—sobbing—alone? Giving up their homes, their husbands, their fathers.

While we—over here with our fun and our comforts—we hold up our heads and feel patriotic because we have given—what? Some loose bills off the top of our roll. "We've given all we can spare!"

Come, come! Let's quit fooling ourselves. Let us learn what "sacrifice" means. Let us give *more* than we can spare—let us "give till the heart says stop."
